Sir:

Enclosed is the Issue Fee Transmittal, in response to the Notice of Allowance dated March 2,

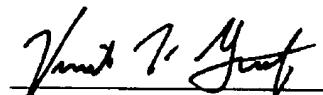

2771-546-CIP3-RCE

2006 in the above-identified patent application. Applicants note that the Notice of Allowance and Fee(s) Due mailed on October 30, 2006 accurately reflects a "Prev. Paid Issue Fee" of \$1,400, but that such Notice of Allowance erroneously indicates "Total Fee(s) Due" of \$1,400.

Applicants hereby request that, pursuant to MPEP 1306, the issue fee previously paid on June 6, 2006 be applied to the issue fee currently due in the present application.

Since the utility issue fee amount is currently \$1,400 pursuant to 37 CFR 1.18(a), and Applicants have already paid such amount via credit card on June 6, 2006 in the present application, it is believed that no additional fees are due and payable to obtain issuance of the instant application. To the extent that Applicants are incorrect in this understanding, however, the USPTO is hereby authorized to charge any deficiencies to Deposit Account Number 08-3284 of Intellectual Property/Technology Law.

Respectfully submitted,
